Work Experience

OSL

Trading & Liquidity Department — Trade Support Associate

Hong Kong

Dec. 2025 – Present

- Partnered with liquidity trading, treasury, and jurisdictional stakeholders (HK, SG, AU, CA, ID, BM) to keep settlement status and escalation notes tight for internal sales-style consumers of house balances and venue deadlines.
- Standardized settlement protocols and multi-track workflows for high-velocity international trading while preserving booking discipline ahead of broker and liquidity-provider cut-offs similar to high-touch execution desks.
- Managed multi-asset settlement for ETFs, RWAs, and FX-linked flows with disciplined exception logs so failure rates stayed <0.5% when reconciling routes for external and internal clients.
- Ran real-time treasury surveillance on house and custodian balances through volatile sessions, briefing Front Office partners with concise liquidity reads without slowing trade decisions.

Amber Group

Market Making Team — Operations Analyst

Hong Kong

Feb. 2025 – Nov. 2025

- Maintained pivot-led BAU trackers and structured Excel hygiene so MM and BD teams could prioritize liquidity-partner requests, lifting tracking efficiency by about 30% and trimming project delays by about 25% in a client-facing crypto markets environment.
- Coordinated MM and BD sourcing, screening, and execution with external counterparties through clear milestones so incentives, hand-offs, and follow-ups stayed traceable under desk pressure.
- Built Tableau dashboards tying event ROI and BD incentives to throughput, aligning desk narratives with measurable outcomes tied to roughly 15% revenue growth on the leadership-reviewed Web3 slate.
- Supported daily operational updates and timely spreadsheet refreshes so leadership consumed consistent partner status during fast-paced trading hours.

Huatai Financial Holding (Hong Kong) Limited

Sales and Trading Department — FICC Summer Intern

Hong Kong

Jun. 2024 – Nov. 2024

- Rotated Liquidity Management and the Cash Bonds flow desk, learning how traders pair market color with Risk and Settlement cut-offs ahead of institutional bookings.
- Gathered and distributed Global IG research, macro prints, and desk commentary so traders had timely inputs for limit and flow discussions across North Asian fixed income context.
- Automated FTP cost surveillance in Excel-VBA and refreshed coordinated limit views with Risk and Settlement so trades progressed cleanly toward Finance reporting packs.

China Life Insurance (Overseas) Co., Ltd.

Investment Department — Fixed Income Intern

Hong Kong

Jul. 2022 – Oct. 2022

- Assisted in stewarding roughly \$5 billion across 13 funds and managers spanning ABS, energy, infrastructure, and real estate sleeves, preserving clean inputs for Portfolio Manager oversight of institutional mandates.
- Joined strategy sessions with portfolio managers and traders on credit trends, allocations, and security selection so rationales stayed consistent across the team.
- Screened Bloomberg and Morningstar histories for actionable bond rationales, shortening reviewer prep with evidence-backed talking points comparable to equities and FI desk content drills.

Guotai Junan Securities Co., Ltd.

IBD Department — Summer Intern

Guangzhou

May 2021 – Aug. 2021

- Participated in contract reviews including interviews and analysis of competitive pricing clauses in sales-side agreements with major suppliers.
- Managed inventory, bank, and sales transaction confirmations for acceptance testing across banking and supplier touchpoints.
- Prepared bank and AR/AP confirmations and alternative procedures where counterparty replies were inconsistent.

Extracurricular Activities

Speak Up! English Tutoring Programme for Cambodian Students

Jun. 2023
