Work Experience

OSL

Trading & Liquidity Department — Trade Support Associate

Hong Kong

Dec. 2025 – Present

- Acted as a daily bridge between liquidity trading, treasury, and jurisdictional stakeholders (HK, SG, AU, CA, ID, BM), keeping settlement narratives and escalation notes concise so Portfolio Finance and Operations partners could consume status without rework.
- Standardized settlement protocols and multi-track workflows for high-velocity international trading while preserving booking discipline ahead of reactive venue and liquidity-provider deadlines.
- Managed multi-asset settlement for ETFs, RWAs, and FX-linked flows with tight exception logs so failure rates stayed <0.5% when reconciling liquidity routes for brokers and internal consumers.
- Ran real-time treasury surveillance on house and custodian balances through volatile tapes, translating position and latency signals into short briefings that supported Front Office decisions without slowing execution.

Amber Group

Market Making Team — Operations Analyst

Hong Kong

Feb. 2025 – Nov. 2025

- Rebuilt daily BAU trackers with pivots and structured Excel hygiene so MM and BD partners could prioritize requests, lifting tracking efficiency by about 30% and trimming liquidity-partner project delays by about 25% under desk pressure.
- Coordinated MM and BD sourcing, screening, and execution with counterparties through defined milestones so incentives and hand-offs stayed traceable ahead of recurring reporting cycles.
- Delivered Tableau dashboards tying event ROI and BD incentives to throughput, aligning desk storytelling with measurable outcomes tied to roughly 15% revenue growth on the leadership-reviewed Web3 slate.
- Ran disciplined daily maintenance and timely spreadsheet refreshes alongside pivot-led trackers so MM leadership consumed consistent liquidity-partner status during fast-paced crypto sessions.

Huatai Financial Holding (Hong Kong) Limited

Sales and Trading Department — FICC Summer Intern

Hong Kong

Jun. 2024 – Nov. 2024

- Rotated through Liquidity Management and the Cash Bonds flow desk, learning how FI traders pair market color with Risk and Settlement cut-offs ahead of bookings.
- Gathered and distributed Global IG research, macro prints, and desk commentary so traders had timely inputs for limit and microstructure conversations.
- Automated FTP cost surveillance in Excel-VBA and refreshed coordinated limit views alongside Risk and Settlement so trades flowed cleanly toward Finance packs.
- Partnered with Risk and Settlement to establish trade limits and monitor readiness so Cash Bonds and Liquidity Management rotations completed transactions smoothly alongside desk obligations.

China Life Insurance (Overseas) Co., Ltd.

Investment Department — Fixed Income Intern

Hong Kong

Jul. 2022 – Oct. 2022

- Assisted in stewarding roughly \$5 billion across 13 funds and managers spanning ABS, energy, infrastructure, and real estate sleeves, preserving clean exposure inputs for Portfolio Manager reviews.
- Joined strategy sessions with portfolio managers and traders on credit trends, investment decisions, and asset allocation so follow-ups referenced consistent rationales.
- Screened Bloomberg and Morningstar histories for actionable bond rationales so reviewers received shorter, evidence-backed follow-up decks.
- Organized exposure inputs across ABS, energy, infrastructure, and real estate sleeves so portfolio leads referenced consistent figures when debating allocation shifts with traders.

Guotai Junan Securities Co., Ltd.

IBD Department — Summer Intern

Guangzhou

May 2021 – Aug. 2021

- Participated in contract reviews including interviews and analysis of competitive pricing clauses in sales contracts with major suppliers.
- Managed inventory, bank, and sales transaction confirmations for acceptance testing across supplier and banking touchpoints.
- Prepared bank and AR/AP confirmations and alternative procedures where responses were inconsistent.
- Tracked open confirmation exceptions so reviewers could close acceptance cycles without losing unresolved counterparty replies.

Evalueserve Business Consulting (Shanghai) Co., Ltd.

Corporate & Professional Services — Due Diligence Associate

Shanghai

Jul. – Sept. 2020

- Produced elevator-sector diligence for Otis Electric through cold calling, visits, and desk research, delivering structured talking points inside a four-week window.
- Profiled usage and maintenance across roughly 1,000 office and residential towers in five cities while keeping schemas consistent for analytic roll-ups.
- Published Tableau visual packs highlighting consumption outliers so sponsors could cite patterns without waiting on a rebuild from scratch.
- Translated Tableau visual analysis into concise inputs that helped formulate a market growth strategy for the client.

Extracurricular Activities

Speak Up! English Tutoring Programme for Cambodian Students Jun. 2023

- Delivered pre-recorded instructional videos and interactive learning through an online English channel for underprivileged children in Cambodia.

J.P. Morgan APAC Winning Women Program Jun. 2022

- Joined an inclusive community where senior female leaders shared experience and coached junior participants on navigating the workplace.
