## Work Experience

### OSL

*Trading & Liquidity Department, Trade Support Associate*

**Hong Kong**

*Dec. 2025 – Present*

- Deployed scalable operational frameworks across HK, SG, AU, CA, ID, and BM so international trading, settlement hand-offs, and partner-facing controls stayed predictable for liquidity and treasury workflows tied to crypto payment rails.
- Owned end-to-end settlement for ETFs, RWAs, and FX flows; tightened fiat on and off ramps and Liquidity Provider routes with disciplined exceptions, sustaining failure rates below 0.5% across diverse venues for high-volume treasury flows.
- Ran cross-chain bridge and liquidity rebalance workflows for Just-in-Time desk inventory; cut hedging slippage versus prior manual cycles and lifted capital turnover by about 20% in the measured window.
- Led real-time treasury surveillance on custodian balances through volatile tapes; surfaced booking gaps quickly so Trading could execute while partners received transparent liquidity narratives for post-trade follow-up.

### Amber Group

*Market Making Team, Operations Analyst*

**Hong Kong**

*Feb. 2025 – Nov. 2025*

- Maintained disciplined market-making BAU with pivot-led trackers that improved throughput visibility by about 30% and trimmed partner onboarding delays by about 25% across fast-cycle crypto BD reviews.
- Partnered with MM and BD teams on sourcing, screening, and execution pipelines, aligning incentive design and settlement checkpoints before month-end closes for Web3-linked commercial targets.
- Built Tableau views on event ROI and BD incentives that tied partner spend to throughput and backed about 15% revenue growth in Web3 operations during the tracked campaign horizon.
- Logged STP gaps and escalation themes for weekly leadership forums, pairing each operational risk finding with accountable owners mirroring PSP and fintech partner diligence expectations.

### Huatai Financial Holding (Hong Kong) Limited

*Sales and Trading Department, FICC Summer Intern*

**Hong Kong**

*Jun. 2024 – Nov. 2024*

- Rotated through Liquidity Management and the Cash Bonds desk, mapping FI booking rhythms beside Trading ahead of Risk and Settlement cut-offs.
- Distributed Global IG research, macro data, and desk commentary so traders had timely inputs for limit and exposure conversations.
- Automated FTP cost monitoring with Excel-VBA and refreshed limit checkpoints with Settlement so trades flowed cleanly toward Finance reporting.

### China Life Insurance (Overseas) Co., Ltd.

*Investment Department, Fixed Income Intern*

**Hong Kong**

*Jul. 2022 – Oct. 2022*

- Supported stewardship across about \$5 billion AUM spanning 13 funds and managers covering ABS, energy, infrastructure, and real estate sleeves for precise PM decisions.
- Joined credit and allocation forums with portfolio managers and traders to pressure-test ideas before Risk sign-offs.
- Ran Bloomberg and Morningstar screens for bond recommendations with documented rationales to shorten reviewer follow-up versus ad hoc packs.

### Guotai Junan Securities Co., Ltd.

*IBD Department, Summer Intern*

**Guangzhou**

*May 2021 – Aug. 2021*

- Reviewed supplier contracts for pricing and fulfillment clauses influencing confirmation timing across diligence workstreams.
- Prepared banking, inventory, and sales confirmations for acceptance testing with alternate procedures when replies conflicted so audit timelines held.
- Consolidated AR and AP confirmations into exception logs so managers landed clean sign-offs faster.

## Extracurricular Activities

### Speak Up! English Tutoring Programme for Cambodian Students

*Jun. 2023*

- Delivered pre-recorded instructional videos and interactive learning through an online English channel for underprivileged children in Cambodia.

### J.P. Morgan APAC Winning Women Program

*Jun. 2022*

- Joined an inclusive community where senior female leaders shared experience and coached junior participants on navigating the workplace.
