DBS Bank Treasures Hiring Team  
Hong Kong SAR

**Re: Treasury Specialist, Treasures (Licensed, Sales Incentive)**

Dear Hiring Manager,

I am writing to apply for the **Treasury Specialist, Treasures (Licensed, Sales Incentive)** opportunity with DBS Bank in Hong Kong SAR (LinkedIn posting 4402922885). The listing references DBS Consumer Banking Group alongside Asia-wide retail banking scale; the public summary stresses branch and TS coordination with regulation-aware treasury delivery plus disciplined communication across customers and internal sales channels, matching how I work in high stakes, delivery focused environments.

On OSL Trading & Liquidity as Trade Support Associate, I build settlement frameworks across HK, Singapore, Australia, Canada, Indonesia, and Bermuda, steward ETF, RWA, and FX-linked treasury-style cash paths while keeping venue failure rates under 0.5%, execute liquidity moves that improved capital turnover by about 20%, and monitor custodian balances through volatile markets while logging exceptions finance partners can trace.

At Amber Group Market Making Operations I ran pivot-led BAU that improved tracking efficiency by about 30% and shortened liquidity-partner delays by about 25%. I produced Tableau dashboards on BD incentives and event ROI tied to treasury throughput narratives, aligning leadership reviews with measurable revenue uplift near 15% in the monitored Web3 campaigns.

During my FICC internship at Huatai Financial Holding I rotated through Liquidity Management and the Cash Bonds flow desk with Excel-VBA surveillance alongside Risk and Settlement, which parallels treasury product workflows on FX-linked cash instruments.

My China Life fixed income internship covered about \$5 billion across thirteen funds with Bloomberg-heavy analysis alongside portfolio managers. I earned an M.Sc. Finance (Honours) at HKUST and a B.B.A. Professional Accountancy (Honours) at CUHK and communicate in native Mandarin with proficient English for Hong Kong and cross-border banking partners.

I welcome the chance to support Treasures treasury execution, client-facing sales operations, and close collaboration with compliance and finance stakeholders at DBS Bank.

Thank you for considering my application.

Sincerely,

Zhao Yanbo
