Work Experience

OSL

Trading & Liquidity Department, Trade Support Associate

Hong Kong

Dec. 2025 – Present

- Built scalable operational frameworks across HK, SG, AU, CA, ID, and BM; standardized settlement protocols and workflows so bookings stay compliant for desks serving international trading pipelines.
- Managed ETF, RWA, and FX-linked settlement plus fiat ramps and LP routes with disciplined exceptions, keeping aggregate venue failure rates under 0.5% while monitoring liquidity quality for treasury and Trading.
- Ran cross-chain rebalancing and bridge work for JIT desk inventory; cut hedging slippage and gas drag versus manual paths and improved capital turnover by about 20% in the measured window.
- Monitored house and custodian balances through volatile tapes; surfaced breaks early with written rationales so Front Office could execute without losing segregation between risk taking and ops controls.

Amber Group

Market Making Team, Operations Analyst

Hong Kong

Feb. 2025 – Nov. 2025

- Rebuilt daily BAU trackers with pivots under crypto desk tempo, boosting tracking efficiency by about 30% and shrinking liquidity-partner project delays by about 25% across weekly checkpoints.
- Coordinated MM and BD pipelines with finance and risk counterparts so lifecycle milestones and settlement swaps matched incentive plans before closes.
- Delivered Tableau views on ROI and BD incentives tying throughput to outcomes, underpinning roughly 15% Web3 revenue growth in the tracked campaign horizon.
- Logged STP misses and escalation themes so leadership forums could align with high-touch desk expectations on bookings and confirmations.

Huatai Financial Holding (Hong Kong) Limited

Sales and Trading Department, FICC Summer Intern

Hong Kong

Jun. 2024 – Nov. 2024

- Rotated through Liquidity Management and the Cash Bonds desk, mapping FI booking steps beside Flow Trading teammates before HK cut-offs with Sales and Ops partners.
- Circulated macro data, IG research, and desk notes so traders and internal stakeholders debated limits with current market context.
- Automated FTP monitoring in Excel-VBA with Risk and Settlement so trade limits matched live exposure before Finance reporting closed.

China Life Insurance (Overseas) Co., Ltd.

Investment Department, Fixed Income Intern

Hong Kong

Jul. 2022 – Oct. 2022

- Helped supervise about \$5 billion across 13 funds spanning ABS, energy, infrastructure, and real estate sleeves, keeping tables audit-ready during PM rotations.
- Joined credit and allocation councils with traders and managers, aligning questions to Investment Risk approvals using shared Bloomberg and Morningstar data pulls.
- Screened bonds proactively and logged rationales so reviewers spent less time on ad hoc packs before committee sign-off.

Guotai Junan Securities Co., Ltd.

IBD Department, Summer Intern

Guangzhou

May 2021 – Aug. 2021

- Reviewed supplier contracts for competitive pricing and delivery clauses that shaped confirmation timing during diligence.
- Interviewed counterparties and logged findings so senior bankers could sequence negotiations without duplicating field work.
- Prepared banking, inventory, and sales confirmations for acceptance testing, including alternate procedures when replies conflicted.

Extracurricular Activities

Speak Up! English Tutoring Programme for Cambodian Students

Jun. 2023

- Delivered pre-recorded instructional videos and interactive learning through an online English channel for underprivileged children in Cambodia.

J.P. Morgan APAC Winning Women Program

Jun. 2022

- Joined an inclusive community where senior female leaders shared experience and coached junior participants on navigating the workplace.
