Work Experience

OSL

Trading & Liquidity Department, Trade Support Associate

Hong Kong

Dec. 2025 – Present

- Deployed scalable operational frameworks across HK, SG, AU, CA, ID, and BM with standardized settlement protocols keeping multi-jurisdiction books audit-ready under documented regulatory guardrails.
- Owned end-to-end settlement for ETFs, RWAs, and FX-linked treasury flows; tightened fiat ramps and liquidity-provider routes with disciplined exception logs, holding venue breaks under 0.5% for risk and finance.
- Ran cross-chain liquidity rebalances for just-in-time desk inventory; lifted capital turnover by about 20% versus manual paths by cutting hedging slippage and gas spend in the measured window.
- Ran treasury surveillance on house and custodian balances through volatility; distilled liquidity and booking signals into concise written updates for front-office partners under independent controls.

Amber Group

Market Making Team, Operations Analyst

Hong Kong

Feb. 2025 – Nov. 2025

- Rebuilt daily market-making BAU with pivot-led trackers and strict booking hygiene, raising tracking efficiency by about 30% and trimming liquidity-partner project delays by about 25% across weekly reviews.
- Aligned market-making and business-development sourcing, screening, and execution with risk and finance so incentives, milestones, and settlement hand-offs met month-end reporting deadlines.
- Shipped Tableau dashboards on event ROI and incentives that linked throughput to revenue, supporting about 15% revenue growth in Web3 operations in the leadership-tracked window.
- Logged straight-through-processing and exception themes for leadership reviews with clear owners so follow-up matched institutional trading-floor control discipline.

Huatai Financial Holding (Hong Kong) Limited

Sales and Trading Department, FICC Summer Intern

Hong Kong

Jun. 2024 – Nov. 2024

- Rotated on Liquidity Management and the cash bonds desk, mapping fixed-income workflow steps with traders and risk ahead of settlement cut-offs.
- Distributed Global IG bond research, macro data, and desk commentary so traders had timely inputs before risk and limit discussions.
- Automated FTP cost monitoring in Excel-VBA with Risk and Settlement so trades completed cleanly for downstream finance reporting.

China Life Insurance (Overseas) Co., Ltd.

Investment Department, Fixed Income Intern

Hong Kong

Jul. 2022 – Oct. 2022

- Helped steward about \$5 billion across 13 funds spanning ABS, energy, infrastructure, and real estate, keeping exposure tables precise for portfolio manager reviews.
- Joined credit and allocation sessions with portfolio managers and traders, turning desk questions into focused data pulls before documented investment reviews.
- Ran Bloomberg and Morningstar screens for bond ideas with short rationales that sped reviewer follow-up versus prior ad hoc packs.

Guotai Junan Securities Co., Ltd.

IBD Department, Summer Intern

Guangzhou

May 2021 – Aug. 2021

- Reviewed supplier contracts for pricing and delivery terms affecting confirmation timing and settlement risk alongside counsel-approved templates.
- Prepared banking, inventory, and sales confirmations for acceptance testing, using alternate procedures when replies conflicted so audits could close.
- Consolidated AR/AP confirmation responses into one exception log, trimming leadership review cycles when clean sign-offs were required.

Extracurricular Activities

Speak Up! English Tutoring Programme for Cambodian Students

Jun. 2023

- Produced online English videos and interactive lessons supporting Cambodian students through the volunteer channel.

J.P. Morgan APAC Winning Women Program

Jun. 2022
