Work Experience

OSL

Trading & Liquidity Department, Trade Support Associate

Hong Kong

Dec. 2025 – Present

- Deployed operational frameworks spanning HK, SG, AU, CA, ID, and BM with standardized settlement paths plus controls that leadership could reference before Finance closed consolidated packs.
- Ran ETF, RWA, and FX settlement with tightened fiat ramps and Liquidity Partner routes, keeping measurable venue failures under 0.5% through volatile tapes.
- Executed bridge and Just-in-Time inventory moves with traded-off gas versus slippage notes, boosting capital turnover by about 20% versus the prior manual path.
- Monitored house and custodial balances overnight with escalation memos to Front Office and Middle Office desks before liquidity gaps disrupted Asia liquidity windows.

Amber Group

Market Making Team, Operations Analyst

Hong Kong

Feb. 2025 – Nov. 2025

- Maintained pivot-led MM BAU trackers that improved tracking efficiency by about 30% and clipped liquidity-partner project delays by about 25% during weekly checkpoints.
- Choreographed sourcing, incentive accruals, confirmations, and month-end incentive reporting across MM and BD partners before leadership sign-off deadlines.
- Built Tableau views linking event ROI, BD incentive spend, and throughput, underpinning roughly 15% Web3 revenue lift in finance-tracked outreach windows.
- Raised straight-through-processing misses with assigned owners early so settlement breaks mirrored the disciplined attention ECM desks give pricing and allocations.

Huatai Financial Holding (Hong Kong) Limited

Sales and Trading Department, FICC Summer Intern

Hong Kong

Jun. 2024 – Nov. 2024

- Rotated between Liquidity Management and the Cash Bonds flow desk sequencing confirmations across Trading, Risk, and Settlement into Asia close workflows.
- Circulated consolidated Global IG macro, news, and research packets so approvals referenced one shared dataset before Risk refreshed limits.
- Automated FTP surveillance in Excel-VBA with traceable spreadsheets for daily treasury and risk checkpoints alongside Settlement partners.

China Life Insurance (Overseas) Co., Ltd.

Investment Department, Fixed Income Intern

Hong Kong

Jul. 2022 – Oct. 2022

- Helped oversee about \$5 billion across 13 funds covering ABS, energy, infrastructure, and real estate exposures for insurer asset-liability stewardship work.
- Joined PM and trader forums on credit trends and allocation rationales ahead of discretionary portfolio decisions.
- Produced Bloomberg-backed bond rationales reviewers could circulate within tight insurer approval timelines.

Guotai Junan Securities Co., Ltd.

IBD Department, Summer Intern

Guangzhou

May 2021 – Aug. 2021

- Supported contract diligence sessions with interviews that probed competitive supplier pricing clauses referenced in banker working papers.
- Archived counterpart replies beside draft pricing clauses the internal deal team reconciled ahead of revising contractual language.
- Ran inventory and banking confirmation cycles for acceptance testing, issuing AR/AP follow-ups auditors could reconcile without rework.
