DBS Bank Hiring Team
Consumer Banking Group, Treasures
Hong Kong SAR

Re: Treasury Specialist, Treasures (Licensed, Sales Incentive)

Dear Hiring Manager,

I am writing to apply for the **Treasury Specialist, Treasures (Licensed, Sales Incentive)** role with DBS Bank in Hong Kong (posting 4402922885). The position's focus on treasury product execution, disciplined adherence to internal process and regulatory expectations, partnership with branches and the wider TS team, and clear communication with customers and sales channels matches how I operate in high stakes, delivery focused market settings.

At OSL in Trading & Liquidity, I run trade support and treasury monitoring across multiple jurisdictions. I standardize settlement protocols, manage FX and liquidity escalations under tight deadlines, and keep written rationales concise for Trading and downstream Finance so bookings stay reconciled during volatile tapes.

Previously at Amber Group on the Market Making operations desk, I maintained daily BAU with pivot-led trackers and incentive dashboards tied to BD outcomes inside a licensing-heavy desk environment. During my FICC internship at Huatai Financial Holding I rotated through Liquidity Management and the Cash Bonds flow desk and coordinated limits and settlements with Risk and Settlement, which parallels treasury product workflows and FX-linked cash instruments.

I hold an M.Sc. Finance (Honours) from HKUST and a B.B.A. Professional Accountancy (Honours) from CUHK, plus Bloomberg, Wind, Tableau, Excel/VBA, and R. I communicate in English and Mandarin and have basic Cantonese, and I am motivated to deepen branch-facing treasury sales discipline under DBS service standards while staying prudent on referrals and guidelines.

Thank you for considering my application. I would welcome the opportunity to discuss how I can support Treasures treasury sales and TS team objectives at DBS.

Sincerely,

Zhao Yanbo
