Work Experience

OSL

Trading & Liquidity Department, Trade Support Associate

Hong Kong

Dec. 2025 – Present

- Deployed scalable operational frameworks across HK, SG, AU, CA, ID, and BM with standardized settlement playbooks so institutional-scale execution stayed controls-ready for regulators and downstream Risk and Finance consumers.
- Ran end-to-end settlement for ETFs, RWAs, and FX-linked treasury flows while tightening fiat ramps and liquidity-provider routes, keeping venue failure rates under 0.5% with disciplined exception logs.
- Executed cross-chain liquidity rebalances and bridge paths for JIT desk inventory, trimming hedging slippage versus manual runs and improving capital turnover by about 20% in the measured window.
- Monitored house and custodian treasury positions through volatile sessions, escalating booking breaks with written rationales so Front Office could execute without losing Operations independence.

Amber Group

Market Making Team, Operations Analyst

Hong Kong

Feb. 2025 – Nov. 2025

- Streamlined pivot-led BAU trackers for crypto market-making partners, lifting tracking efficiency by about 30% and shrinking project delays by about 25% across weekly checkpoints.
- Supported MM and BD sourcing, screening, and trade lifecycle coordination so allocations and settlements synchronized before reporting closed.
- Built Tableau views on event ROI and partner incentives tying throughput to outcomes, contributing to about 15% Web3 ops revenue gains in the tracked campaign horizon.
- Logged STP and escalation themes with named owners so leadership could steer exceptions under tight timelines.

Huatai Financial Holding (Hong Kong) Limited

Sales and Trading Department, FICC Summer Intern

Hong Kong

Jun. 2024 – Nov. 2024

- Rotated through Liquidity Management and the Flow Trading desk covering Cash Bonds, mapping booking steps with Trading and Risk before settlement cut-offs.
- Circulated macro commentary and Global IG research packs so desks had consolidated inputs ahead of limits and confirmations.
- Automated FTP monitoring in Excel-VBA with Risk and Settlement so funding checks and confirmations finished cleanly ahead of downstream Finance packs.

China Life Insurance (Overseas) Co., Ltd.

Investment Department, Fixed Income Intern

Hong Kong

Jul. 2022 – Oct. 2022

- Supported stewardship across about \$5 billion and thirteen managers spanning ABS, energy, infrastructure, and real estate sleeves, keeping exposure summaries precise for institutional PM reviews.
- Joined credit outlook and allocation dialogues with portfolio managers and traders, framing questions using Bloomberg and Morningstar data before Risk checkpoints.
- Produced documented bond rationales after screens so reviewer cycles tightened versus unstructured email exchanges.

Guotai Junan Securities Co., Ltd.

IBD Department, Summer Intern

Guangzhou

May 2021 – Aug. 2021

- Reviewed supplier agreements for pricing, delivery, and confirmation language that impacted settlement readiness during diligence, echoing ECM documentation discipline.
- Consolidated interviews and diligence notes into decision summaries bankers could reuse instead of restarting field work mid-transaction.
- Prepared banking, inventory, and AR/AP confirmations for acceptance testing, including alternate procedures when replies conflicted so audit teams kept clean sign-offs.

Extracurricular Activities

Speak Up! English Tutoring Programme for Cambodian Students

Jun. 2023

- Delivered pre-recorded instructional videos and interactive learning through an online English channel for underprivileged children in Cambodia.

J.P. Morgan APAC Winning Women Program

Jun. 2022

- Joined an inclusive community where senior female leaders shared experience and coached junior participants on navigating the workplace.
