Work Experience

OSL

Trading & Liquidity Department, Trade Support Associate

Hong Kong

Dec. 2025 – Present

- Built scalable operational frameworks across HK, SG, AU, CA, ID, and BM with standardized settlement playbooks so trade support, treasury, and booking teams share one control model during live markets.
- Managed settlement for ETFs, RWAs, and FX-linked flows with tight exception logs and LP routing discipline, keeping venue failure rates under 0.5% while traders rotated inventory quickly.
- Ran cross-chain liquidity rebalancing and bridge operations for JIT desk inventory, improving capital turnover by about 20% versus prior manual cycles during volatile tapes.
- Monitored house and custodian balances in real time, escalated liquidity gaps with concise rationales, and paired on-chain latency notes with trader requests so desks could act before risk limits tightened.

Amber Group

Market Making Team, Operations Analyst

Hong Kong

Feb. 2025 – Nov. 2025

- Maintained fast-paced crypto MM BAU with pivot-led trackers and disciplined daily updates, raising tracking efficiency by about 30% and cutting liquidity-partner project delays by about 25%.
- Partnered with MM and BD leads on sourcing, screening, and execution, sequencing resources so incentives, documentation, and settlement hand-offs closed before reporting deadlines.
- Published Tableau performance views on event ROI and BD incentives that linked throughput to revenue and supported about 15% revenue growth in Web3 operations in the leadership-tracked window.
- Flagged recurring booking and liquidity themes in weekly forums with clear owners, keeping a high-pressure desk aligned on follow-up before exposures widened.

Huatai Financial Holding (Hong Kong) Limited

Sales and Trading Department, FICC Summer Intern

Hong Kong

Jun. 2024 – Nov. 2024

- Rotated across Liquidity Management and the Cash Bonds desk, mapping cash fixed income workflows and relaying urgent desk questions to Risk and Settlement ahead of cut-offs.
- Gathered and distributed Global IG bond research, macro prints, and internal commentary so traders and sales had timely context for limit and risk conversations.
- Automated FTP cost tracking in Excel-VBA with refreshed limit tables alongside Risk and Settlement, keeping trade bookings clean for downstream finance consumers.

China Life Insurance (Overseas) Co., Ltd.

Investment Department, Fixed Income Intern

Hong Kong

Jul. 2022 – Oct. 2022

- Supported stewardship of about \$5 billion across 13 funds and managers covering ABS, energy, infrastructure, and real estate sleeves, keeping exposure tables accurate for PM reviews.
- Joined credit trend, allocation, and strategy conversations with portfolio managers and traders, framing questions with Bloomberg and Morningstar data before Investment Committee-style reviews.
- Screened bonds proactively, documented rationales for recommendations, and shortened reviewer back-and-forth versus ad hoc spread-sheets.

Guotai Junan Securities Co., Ltd.

IBD Department, Summer Intern

Guangzhou

May 2021 – Aug. 2021

- Reviewed supplier contracts for pricing and delivery terms that influenced confirmation timing during diligence, logging issues counsel needed before signing.
- Interviewed counterparties and synthesized notes so bankers avoided duplicate field work across workstreams.
- Prepared banking, inventory, and sales confirmations for acceptance testing with alternate procedures when replies conflicted so audit teams could still close cycles.

Extracurricular Activities

Speak Up! English Tutoring Programme for Cambodian Students

Jun. 2023

- Delivered pre-recorded instructional videos and interactive learning through an online English channel for underprivileged children in Cambodia.

J.P. Morgan APAC Winning Women Program

Jun. 2022

- Joined an inclusive community where senior female leaders shared experience and coached junior participants on navigating the workplace.
