Work Experience

OSL

Trading & Liquidity Department, Trade Support Associate

Hong Kong

Dec. 2025 – Present

- Partner with traders and operations analysts during volatile liquidity windows; surface treasury and on-chain signals quickly so desk narratives stay aligned with live settlement context across HK, SG, AU, CA, ID, and BM.
- Monitor macro-sensitive flows spanning ETFs, RWAs, and FX-linked inventory with disciplined exception logs so leadership sees hedging pressure before markets gap.
- Maintain settlement and bridge records that behave like reusable databases for recurring incidents; standardized pathways kept venue failure rates under 0.5% in the tracked sample.
- Executed JIT liquidity rebalances that improved capital turnover by about 20% while preserving audit-ready commentary reusable in morning briefings.

Amber Group

Market Making Team, Operations Analyst

Hong Kong

Feb. 2025 – Nov. 2025

- Ran disciplined MM BAU with pivot-led trackers in a demanding crypto desk, improving tracking efficiency by about 30% and cutting liquidity-partner project delays by about 25%.
- Coordinated MM and BD sourcing with Trading counterparts so incentive shifts and lifecycle checkpoints stayed synchronized ahead of reporting deadlines.
- Published Tableau dashboards tying event ROI and BD incentives to throughput, supporting about 15% revenue growth in Web3 operations within the leadership-referenced stretch.
- Escalated STP themes with quantitative hooks from dashboards so managers received independent proof when timelines slipped under pressure.

Huatai Financial Holding (Hong Kong) Limited

Sales and Trading Department, FICC Summer Intern

Hong Kong

Jun. 2024 – Nov. 2024

- Rotated through Liquidity Management and the Cash Bonds desk; packaged Global IG research, macro prints, and desk commentary so traders received timely inputs ahead of risk forums.
- Gathered and distributed market news, macroeconomic data, and Global IG bond research alongside FTP spreadsheets so analysts could relay implications alongside trading updates.
- Automated FTP monitoring in Excel-VBA with Settlement partners and refreshed trade-limit narratives before downstream Finance consumed the files.

China Life Insurance (Overseas) Co., Ltd.

Investment Department, Fixed Income Intern

Hong Kong

Jul. 2022 – Oct. 2022

- Helped steward about \$5 billion across 13 sleeves spanning ABS, energy, infrastructure, and real estate; kept exposure tables precise for PM decisions during volatile credits.
- Joined strategy forums with portfolio managers and traders; translated desk questions into Bloomberg and Morningstar pulls with rationales documented for reviewer sign-off.
- Ran proactive bond screens with documented conclusions so reviewers shortened feedback loops versus prior ad hoc packs.

Guotai Junan Securities Co., Ltd.

IBD Department, Summer Intern

Guangzhou

May 2021 – Aug. 2021

- Participated in contract reviews covering supplier interviews and competitive pricing clauses that influenced diligence pacing and confirmation timing during banking tests.
- Interviewed counterparties and logged findings so senior bankers prioritized negotiation topics without duplicating field work across streams.
- Prepared banking, inventory, and sales confirmations for acceptance testing, including alternate procedures when replies conflicted so audit teams closed on schedule.

Extracurricular Activities

Speak Up! English Tutoring Programme for Cambodian Students

Jun. 2023

- Delivered pre-recorded instructional videos and interactive learning through an online English channel for underprivileged children in Cambodia.

J.P. Morgan APAC Winning Women Program

Jun. 2022

- Joined an inclusive community where senior female leaders shared experience and coached junior participants on navigating the workplace.
