## Work Experience

### OSL

*Trading & Liquidity Department, Trade Support Associate*

**Hong Kong**

*Dec. 2025 – Present*

- Standardized settlement protocols across HK, SG, AU, CA, ID, and BM so FX and multi-asset transfers met regulatory and internal control expectations before Finance close.
- Owned settlement for ETFs, RWAs, and FX-linked flows while tuning fiat ramps and LP routes, keeping venue failure rates under 0.5% for Risk and Finance.
- Ran cross-chain liquidity rebalances for JIT inventory, lifting capital turnover by about 20% versus prior manual cycles while controlling slippage.
- Directed real-time treasury monitoring of house and custodian balances under volatile markets, distilling liquidity and sentiment signals for Trading while bookings stayed reconciled.

### Amber Group

*Market Making Team, Operations Analyst*

**Hong Kong**

*Feb. 2025 – Nov. 2025*

- Ran pivot-led MM BAU trackers in a licensing-heavy desk, lifting tracking efficiency by about 30% and shortening partner project delays by about 25%.
- Supported MM and BD teams with project sourcing, screening, and execution so incentives and settlement milestones closed cleanly before month-end.
- Built Tableau views on BD incentives and event ROI that framed about 15% Web3 revenue growth in tracked campaigns for leadership reviews.
- Logged STP and exceptions with accountable owners so follow-up paired sales tempo with control discipline across internal partners.

### Huatai Financial Holding (Hong Kong) Limited

*Sales and Trading Department, FICC Summer Intern*

**Hong Kong**

*Jun. 2024 – Nov. 2024*

- Rotated through Liquidity Management and the Cash Bonds desk, mapping cash FI booking steps beside Trading and Risk partners before settlement cut-offs for treasury-adjacent products.
- Gathered and distributed Global IG bond research, macro data, and desk commentary so internal stakeholders received timely market updates ahead of risk and limit discussions on flow books.
- Coordinated with Risk and Settlement to align trade limits and settlement hand-offs while monitoring FTP costs in Excel-VBA so transactions completed smoothly for downstream Finance reporting on cash-style instruments.

### China Life Insurance (Overseas) Co., Ltd.

*Investment Department, Fixed Income Intern*

**Hong Kong**

*Jul. 2022 – Oct. 2022*

- Helped steward about \$5 billion across 13 funds and managers spanning ABS, energy, infrastructure, and real estate sleeves, keeping exposure tables precise for PM decisions under institutional review timelines.
- Joined credit and allocation strategy sessions with portfolio managers and traders, translating desk questions into focused data pulls ahead of reviewer sign-off.
- Ran Bloomberg and Morningstar screens for proactive bond recommendations and documented rationales so reviewer follow-up shortened versus prior ad hoc email packs.

### Guotai Junan Securities Co., Ltd.

*IBD Department, Summer Intern*

**Guangzhou**

*May 2021 – Aug. 2021*

- Participated in contract reviews covering competitive pricing clauses in sales contracts with major suppliers, including interviews and diligence notes.
- Interviewed counterparties and logged findings so senior bankers could prioritize negotiation points without duplicating field work across workstreams.
- Prepared banking, inventory, sales, AR/AP confirmations, and alternate procedures when counterparty replies conflicted so audit teams could still close on schedule.

## Extracurricular Activities

### Speak Up! English Tutoring Programme for Cambodian Students

- Delivered online English instruction for Cambodian students via a volunteer channel.

*Jun. 2023*

### J.P. Morgan APAC Winning Women Program

- Joined mentorship circles where senior leaders coached junior women navigating careers.
