Work Experience

OSL

Trading & Liquidity Department, Trade Support Associate

Hong Kong

Dec. 2025 – Present

- Architected scalable operating frameworks spanning HK, SG, AU, CA, ID, and BM with standardized settlement playbooks so institutional crypto and real-world-linked desk flows onboard consistently across jurisdictions.
- Managed end-to-end settlement for ETFs, real-world-linked assets, and FX treasury paths; tightened fiat ramps and liquidity-provider choreography while maintaining failure rates below 0.5% on tracked venue samples through high-volume onboarding windows.
- Delivered bridge-led liquidity reallocations that funded just-in-time desk inventory during stressed tape, shaving hedging slippage versus manual paths and improving capital turnover by about 20% in monitored windows aligned with treasury targets.
- Directed treasury surveillance across custodians and broadcast paths through volatile regimes, escalating breaks with succinct narratives so business, liquidity, and product partners reconciled exposures ahead of regulated reporting cadences.

Amber Group

Market Making Team, Operations Analyst

Hong Kong

Feb. 2025 – Nov. 2025

- Rebuilt daily crypto market-making BAU via pivot-heavy trackers plus disciplined spreadsheets, boosting tracking efficiency by about 30% and slicing liquidity-partner project delays by roughly 25% across agile reviews with ecosystem-facing teams.
- Supported MM and BD sourcing, diligence, and launch execution, aligning incentives across trading, treasury, and external partners similar to structuring multi-stakeholder tokenization mandates from screening through commercial sign-off.
- Shipped Tableau dashboards quantifying incentive spend and throughput for Web3 programs, aligning leadership metrics with BD outcomes tied to roughly 15% revenue lift in monitored campaigns spanning partner cohorts.
- Chronicled recurring Straight Through Processing gaps and escalation patterns for steering forums, attaching owners and timelines parallel to milestones expected in client-facing expansion programs bridging product and treasury stakeholders.

Huatai Financial Holding (Hong Kong) Limited

Sales and Trading Department, FICC Summer Intern

Hong Kong

Jun. 2024 – Nov. 2024

- Completed rotations across Liquidity Management and the Cash Bonds flow desk amid institutional-grade Global IG mandates, aligning booking instructions with treasury and trader expectations before nightly risk reviews.
- Produced daily macro summaries, issuer research digests, and liquidity commentary so stakeholders executed within capital-markets timelines comparable to briefing expansion clients ahead of onboarding checkpoints.
- Automated FTP cost oversight with Excel-VBA spreadsheets while refreshing limit packets with Risk and Settlement to keep FI deals settlement-ready ahead of downstream finance sign-off.

China Life Insurance (Overseas) Co., Ltd.

Investment Department, Fixed Income Intern

Hong Kong

Jul. 2022 – Oct. 2022

- Helped supervise approximately \$5 billion across thirteen mandates spanning ABS, energy, infrastructure, and real estate sleeves, maintaining exposure dashboards allocators consulted before scaling positions mirroring issuer diligence depth for RWAs.
- Supported portfolio managers and traders in strategy sessions layering credit views, allocations, and risk budgets with Bloomberg pulls comparable to structuring memos institutional tokenization desks circulate ahead of onboarding gates.
- Screened opportunities through Bloomberg and Morningstar while logging rationales reviewers could trace, shortening feedback loops analogous to disciplined partner reporting cadences for institutional accounts.

Guotai Junan Securities Co., Ltd.

IBD Department, Summer Intern

Guangzhou

May 2021 – Aug. 2021

- Reviewed supplier-facing contracts emphasizing pricing, delivery milestones, and bank covenant language before leadership circulated recommendations to treasury and counterparties during diligence-heavy expansion planning.
- Interviewed subject-matter experts and synthesized findings into short internal memos that informed negotiation priorities resembling concise commercial briefings for institutional tokenization pursuits.
- Managed inventory, bank, and revenue confirmation packets for acceptance testing cycles, escalating inconsistent responses via alternate audit procedures analogous to escalating client documentation gaps ahead of onboarding completion.

Extracurricular Activities

Speak Up! English Tutoring Programme for Cambodian Students

- Produced online English videos for underserved Cambodian students.

Jun. 2023

J.P. Morgan APAC Winning Women Program

- Joined Winning Women mentoring led by senior female leaders on navigating workplaces.

Jun. 2022
