Work Experience

OSL

Trading & Liquidity Department, Trade Support Associate

Hong Kong

Dec. 2025 – Present

- Architected operational frameworks across HK, SG, AU, CA, ID, and BM with standardized settlement paths so booking and product initiatives scaled with entity-wide controls.
- Managed settlement for ETFs, RWAs, and FX-linked flows; tuned fiat ramps and LP routes with strict exception logs, keeping venue failures under 0.5% with treasury-aligned liquidity views.
- Executed cross-chain rebalances and bridge ops for JIT inventory; cut slippage and gas drag versus manual paths and lifted capital turnover by about 20% in the tracked window.
- Surveilled house and custodian balances through volatile sessions; escalated breaks with short rationales so Product and Trading could respond to KPIs without slowing execution.

Amber Group

Market Making Team, Operations Analyst

Hong Kong

Feb. 2025 – Nov. 2025

- Rebuilt MM BAU with pivot-led trackers and tight booking hygiene, improving tracking efficiency by about 30% and cutting partner project delays by about 25% in a fast iterative desk.
- Coordinated MM and BD sourcing through execution so incentives, milestones, and settlement hand-offs lined up with month-end reporting and partner reviews.
- Shipped Tableau views on event ROI and BD incentives tying throughput to revenue, supporting about 15% Web3 revenue growth in the leadership-tracked window.
- Logged operational risk themes for leadership, assigning owners so gaps closed before they spread across BD and operations.

Huatai Financial Holding (Hong Kong) Limited

Sales and Trading Department, FICC Summer Intern

Hong Kong

Jun. 2024 – Nov. 2024

- Rotated on Liquidity Management and Cash Bonds, mapping booking steps with Trading and Risk before cut-offs.
- Distributed Global IG research, macro inputs, and desk notes ahead of risk and limit conversations.
- Automated FTP monitoring in Excel-VBA with Risk and Settlement so trades cleared cleanly for finance reporting.

China Life Insurance (Overseas) Co., Ltd.

Investment Department, Fixed Income Intern

Hong Kong

Jul. 2022 – Oct. 2022

- Supported about \$5 billion across 13 managers covering ABS, energy, infrastructure, and real estate sleeves with precise exposure tables.
- Joined credit and allocation forums with PMs and traders, shaping focused data pulls ahead of Investment Risk sign-off.
- Screened bonds on Bloomberg and Morningstar with short write-ups that sped reviewer follow-up versus ad hoc packs.

Guotai Junan Securities Co., Ltd.

IBD Department, Summer Intern

Guangzhou

May 2021 – Aug. 2021

- Reviewed supplier contracts for pricing and delivery terms tied to confirmation timing during diligence.
- Logged counterparty interviews so bankers could focus negotiation without repeating field work.
- Built banking, inventory, and sales confirmations for testing, with alternates when replies conflicted.

Extracurricular Activities
