Work Experience

OSL

Trading & Liquidity Department, Trade Support Associate

Hong Kong

Dec. 2025 – Present

- Ran scalable trade-support and treasury-aligned frameworks across HK, SG, AU, CA, ID, and BM so institutional-style booking paths stayed standardized ahead of liquidity and settlement cut-offs.
- Managed settlement and exception workflows for ETFs, RWAs, and FX-linked treasury flows; tuned fiat on and off ramps and LP routes while keeping measured venue failure rates under 0.5%.
- Executed cross-chain liquidity rebalances and bridge operations for JIT inventory; lowered hedging slippage versus prior manual routes and lifted capital turnover by about 20% in the tracked window.
- Directed real-time surveillance on house and custodian balances through volatile tapes; escalated booking breaks with concise rationales so Trading kept execution focus while controls stayed independent.

Amber Group

Market Making Team, Operations Analyst

Hong Kong

Feb. 2025 – Nov. 2025

- Owned daily MM BAU with pivot-led trackers and disciplined booking hygiene across liquidity partners in a volatile crypto franchise, lifting tracking efficiency by about 30% and trimming partner-project delays by about 25%.
- Partnered with MM, BD, and finance stakeholders on sourcing, screening, and execution checkpoints so incentive structures, milestones, and settlement hand-offs stayed synchronized before closes.
- Delivered Tableau views on event ROI and BD incentives that paired throughput with revenue outcomes and backed about 15% revenue growth for Web3 operations in the leadership-reported stretch.
- Logged STP gaps and escalation themes ahead of forums, tying each item to ownership so recurring sales-trading-adjacent risks showed up early for leadership review.

Huatai Financial Holding (Hong Kong) Limited

Sales and Trading Department, FICC Summer Intern

Hong Kong

Jun. 2024 – Nov. 2024

- Rotated through Liquidity Management and the Cash Bonds flow desk, mapping cash fixed-income lifecycle steps beside traders before settlement and Risk sign-off windows.
- Gathered Global IG commentary, macro inputs, and research packs on Bloomberg-driven workflows so desks received timely narratives ahead of liquidity and limits conversations.
- Automated FTP cost monitoring through Excel-VBA and refreshed desk views alongside Risk and Settlement so trades progressed cleanly toward downstream Operations and Finance packs.

China Life Insurance (Overseas) Co., Ltd.

Investment Department, Fixed Income Intern

Hong Kong

Jul. 2022 – Oct. 2022

- Stewarded sleeves totaling about \$5 billion across 13 funds and ABS, energy, infrastructure, and real estate books, preserving exposure accuracy for portfolio managers deciding under tight approvals.
- Joined credit and allocation debates with managers and traders, funneling Bloomberg and Morningstar evidence into sharper bond rationales ahead of reviewer questions.
- Ran repeatable screens that shortened follow-up loops versus ad hoc spreadsheets when teams compared credits across North Asian mandates.

Guotai Junan Securities Co., Ltd.

IBD Department, Summer Intern

Guangzhou

May 2021 – Aug. 2021

- Reviewed supplier contracts for pricing and logistics clauses affecting confirmation sequencing and contingent settlement risk alongside legal-driven diligence templates.
- Interviewed counterparties and logged findings so coverage bankers prioritized negotiation topics without rework across workstreams during tight listing windows.
- Produced banking, inventory, and sales confirmations for acceptance cycles, documenting alternate audit steps when counterparties disagreed so sign-offs still met timelines.
